

BUS SERVICE AND FREQUENCY GUIDE

Frequency: The frequency shown may not apply over the whole route, or on all days that the service runs. Contact Traveline for more information.
Operators: Operators have been shown using the abbreviated codes shown in the list of operators.
Accessible Buses: Route normally operated by vehicle(s) with step-free entrance and space for wheelchair, but no guarantee can be given that an accessible vehicle will always be used. You are advised to check with operator beforehand.
